

John Reschke

Australian Government Department of Infrastructure, Regional Development & Cities

Biography

John is a Young Planner in the ACT currently working for the Commonwealth Department of Infrastructure, Regional Development and Cities. As a Senior Policy Officer, John delivers strategic transport and land use planning advice for the Sydney Metro Western Sydney Airport project, a key city-shaping deliverable of the Western Sydney City Deal. John was also the Project Director for the Pocket Park parklet, and is the 2018 ACT Young Planner of the Year.
