

Liz de Chastel  
Australian Local Government Association

### **Biography**

Liz has always been passionate about finding pathways to resolve complex urban, regional and social planning issues including policy development and advocacy. Liz has over 25 years experience in government, NFP and the private sector in the NT, Qld and ACT. Liz joined the Australian Local Government Association in February 2018. She has qualifications in urban planning and is a Registered Planner and Fellow of the Planning Institute of Australia.
